Chers Partenaires,

Au nom du Comité Exécutif, j'ai le privilège et l'honneur de vous inviter à participer au 44^e congrès annuel de l'European Academy of Facial Plastic Surgery (EAFPS) qui se déroulera du **15 au 18 Septembre 2021** dans le très luxueux centre des congrès du Palais de la Méditerranée à **Nice, France**.

L'EAFPS est la plus importante société savante européenne de chirurgie plastique de la face et une des plus importantes du monde. Elle compte plus de 1000 membres actifs. Chaque année, une ville d'Europe est sélectionnée pour accueillir son congrès annuel. Nice sera le siège de la **44^e édition**.

La faculté est composée d'éminents conférenciers venus du monde entier qui partageront leurs expériences au travers de lectures magistrales, de groupes de discussions et d'ateliers éducatifs. Le programme scientifique couvrira le spectre complet des procédés de **médecine ou de chirurgie esthétique de la face**, des techniques de reconstruction ainsi que des dernières technologies chirurgicales et non-chirurgicales. Unique cette année, une salle sera exclusivement dédiée aux sessions en langue française.

400m² d'exposition vue mer, 3 salles en parallèle offriront un large choix de stands et d'offres de communication auprès de nos participants. Un programme spécialement calibré vous permettra de mettre en avant **vos valeurs et vos produits**, dans le cadre des sessions scientifiques.

Nous espérons vous compter parmi nous pour cet événement unique.
En vous remerciant pour votre soutien.

Dr. Yves Saban
Président du Congrès

Dear Partners,

On behalf of the EAFPS Executive Board, it is my privilege and honour to invite you to the 44th European Academy of Facial Plastic Surgery (EAFPS) Annual Meeting which will be held **from September 15th to 18th 2021** in the very luxury Palais de la Méditerranée in **Nice, France**.

The **EAFPS** is the biggest European Society of Facial Plastic surgery and one of the biggest of the world with more than 1000 active members. Each year, one European City is selected to host its annual meeting. Nice has been elected for the **44th edition**.

The faculty is composed of world distinguished speakers, coming together to share their experience through keynote lectures, panel discussions and educational workshops. The scientific educational program will cover the full spectrum of **facial aesthetic, cosmetic, and reconstruction procedures** including the latest surgical and non-surgical technologies. One room will be exclusively dedicated to French sessions.

400m² of sea view exhibition, 3 meeting rooms in parallel will offer a large range of stands and communication packages among our participants. A specifically developed program will allow you to highlight **your corporate values and products**, within scientific sessions.

We are looking forward to sharing this unique event with you.

Thank you for your ongoing support.
